

Grace Day Care is located within Grace United Methodist Church. The Day Care is a nonprofit program. We are licensed by the State of Indiana and a Level 3 Paths to Quality Provider.

The Day Care serves children between the ages of 2-5. Children are admitted anytime during the school year when openings are available. School-agers may also be enrolled during our summer camp programs. Class sizes are based on enrollment and staffed accordingly.

Grace Day Care is proud of our qualified leadership. Teachers are experienced in early child care education, trained in first aid, CPR and participate in 20 hours of continuing education annually.

We provide developmentally appropriate activities within a Christian environment. Our curriculum is based on the Foundations to the Indiana Academic Standards, zoo phonics and weekly themes.

Grace Readiness offers an environment of love and care to help your child grow and develop a good self-concept socially, mentally, morally, and creatively, by experience of group interaction, personal challenges and opportunities in art, music, and language.

Our Program includes structured and unstructured activities involving large and small motor coordination, personal development, work and play habits, and readiness skills in the areas of language, auditory perception, visual perception and mathematics.

Progress Reports reflecting your child's growth are sent home in March. Parent-Teacher Conferences are also available upon request.

Children are welcome to enroll anytime an opening is available. We follow the Lafayette School Calendar.
